

NOWHERE TO RUN | BROUGHT UP FROM THE PIT
JONAH 1:17-2:10

A storm raged and a ship almost capsized. Reluctant sailors threw Jonah overboard. They were delivered from the storm. Jonah sunk to the bottom of the sea like a rock. The sailors worshipped Jonah's God, Yahweh. What about Jonah? God saved Jonah in an incredible way. Jonah responds with gratitude toward God and the willingness to embrace his calling. What do we learn as we look at a prophet who spends chapter two at the bottom of the sea and in the belly of a fish?

1. The Lord can use a _____ to bring us back to Him.
2. We should respond to a crisis by _____ out to God.
3. The Lord meets us during our struggles with a kind of _____ only He can _____.
4. The Lord desires that we respond to His love and mercy with _____ to His _____.
