

CHRISTMAS STORIES | THE SPIRITUAL BATTLE TO DESTROY CHRISTMAS
MATTHEW 2:1-18, REVELATION 12:1-4

A future King was born. A wicked, insecure politician tried to destroy the future king whom he felt threatened his power. He ordered the bloodshed of babies two and under in Bethlehem's region in order to make sure the future king didn't slip through the cracks and survive. However, nothing could stop the mission of this future King from being completed. The event is Herod's slaughter of babies following Jesus' birth. Today, we will look at this from both a heavenly and an earthly perspective and determine how we should respond to this account?

1. Satan used the insecurity and wickedness of humans to try to destroy the work of God.
2. God made certain His plan was not thwarted and Jesus completed His earthly mission.
3. Even in days of earthly darkness, you can be sure God will bring His plans to completion.
