

IS GOD THERE? | PSALM 139

2020 is the kind of year that causes us to ask questions. What is going on in the world? What is going on in my life? How does this all fit into God's plan? Does God know what I'm going through? Where is God when I need Him? Can God really do something about my problems? You may be surprised to know that King David wrestled with the same questions three thousand years ago. David understood that God knew him, and David trusted God because of His character. David sought God to search him out. In this Psalm, he answers the question, why we can trust God in difficult times.

1. We can trust God because He is _____ and _____ everything about us. 139:1-6

2. We can trust God because He is _____ and _____, we go he's there. 139:7-12

3. We can trust God because He is _____, and He _____ us and has a _____ for each of us. 139:13-18

➤ Because God is who He is, He deserves our _____ and _____. 139:19-24
