

THE POWER OF HIS NAME |
MATTHEW 1:18-21, ISAIAH 9:6-7

What's in a name? If you glance at a phonebook or a directory and you see a list of names, they may not mean much to you. I think about how people say they appreciate our Instant Church Directory App because they can "put a name with a face." A name means a bit more when you can put it with a face. However, when you know the person and you know their qualities and attributes, a name even takes on more meaning. If someone mentioned your best friend's name, or a beloved family member, then who they are instantly comes to mind. That name has power. I have walked into buildings where the doorman would not let me in, and then I mentioned the name of the person who invited me, and I was welcomed in a matter of seconds. Names have power. No name has as much power as the name of Jesus. What is the significance of Jesus Name?

1. Jesus' name means God _____ and that He is the way that God _____ sinners.

2. Jesus' name is Wonderful _____, and He provides the _____ we need in life.

3. Jesus' name is _____ God, and He provides the _____ we need to live victorious lives.

4. Jesus' name is _____ Father, and He provides _____ and a secure _____.

5. Jesus' name will be _____ all names, and His _____ will provide _____ and _____ forever.
