

**DESIGNED BY . . . GOD | WE WILL MAKE A NAME FOR OURSELVES  
GENESIS 10-11**

God blessed Noah's and his sons and gave them a clear directive: "Be fruitful and multiply and fill the earth." (Genesis 9:1, ESV) Noah's sons multiplied however their descendants did not fill the earth. Instead, they sought to make a name for themselves apart from God. We see that God is still involved in the affairs of man. He intervenes to break their self-reliance and cause them to fulfill His directive. We see God bring diversity out of their rebellion. Although, they were separated as they tried to make a name for themselves, one day God will bring the nations together to worship His name. What do we learn from the account of the tower of Babel?

1. \_\_\_\_\_ and self-\_\_\_\_\_ constantly put us in a position to try to make a name for \_\_\_\_\_ and usurp God.
2. When we deny God's \_\_\_\_\_ and \_\_\_\_\_, He will eventually \_\_\_\_\_ to accomplish His will.
3. Though we are all part of the \_\_\_\_\_ race God caused separate \_\_\_\_\_ that led to diversity, separate \_\_\_\_\_ and \_\_\_\_\_.
4. God \_\_\_\_\_ should be lifted up \_\_\_\_\_ all names and this will come to pass.
