

GROWING IN THE GRACE AND KNOWLEDGE OF JESUS CHRIST |

2 PETER

2 PETER 1:1-15

As Peter writes his second letter, he has two major purposes on his mind. First, he wants believers to continue to grow in Jesus Christ. He wants them to have a vibrant, developing relationship with Jesus. Secondly, he wants them to be careful not to be led away by false teachers. If false teachers hi-jack their faith, then the first purpose will be derailed. Peter writes this letter with the certainty that his own death is right around the corner. As Peter opens his letter, he wants believers to know God has given them what they need to live a vibrant, growing Christian life. What has God supplied to those who trust in Him?

1. He has given us a _____ in Christ. 1:1-2
2. He has provided the _____ to live God-honoring lives and _____ the corruption of the world. 1:3-4
3. He has defined the _____ that will enable us to be _____ Christians. 1:5-11
4. He has _____ us of the need to be _____ . 1:12-15
