

**CONTENDING FOR THE FAITH | A CALL TO PERSEVERE**  
**JUDE 17-25**

Jude wanted to write a letter extolling his common salvation with believers. God had different plans for him. The Holy Spirit led him to write to the church believers to contend for the faith and be alert for certain people who had crept into the church. He spent much of his letter creating a profile of the infiltrators or apostates who were in the church. Now, he would come to the heart of his message. How do we contend for the faith?

1. We must not be \_\_\_\_\_ when false \_\_\_\_\_ and \_\_\_\_\_ embed themselves in the church (17-19).
  
2. We must \_\_\_\_\_ ourselves spiritually to \_\_\_\_\_ for the faith (20-21).
  
3. We must be primed to \_\_\_\_\_ \_\_\_\_\_missions (22-23).
  
4. We must always remember Who is \_\_\_\_\_ us (24-25).
