

## **LAUNCHING REVELATION | REVELATION 1:1-8**

We live in a rapidly changing world. The virus and the policies concerning it have made a global impact. Advancements in technology allow us to consume massive amounts of information from around the world. As we digest this information, we see many of the changes are not for the better. We see the impact on our own lives. We ask ourselves, what does the future hold for us? What does it hold for our children or grandchildren? As believers we go to God's Word to see if he provides answers. The book of Revelation speaks to future events. Revelation assures us that God's people will be blessed, sin will be judged, and ultimately, we will win, because Jesus has secured the victory. What questions do we need to know as we launch into our study of Revelation?

1. What is meant by Revelation?
2. Who wrote the book?
3. Where was it written?
4. Who is the audience?
5. When did John write Revelation?
6. What is the basic structure?
7. Why have I chosen to preach revelation?
8. What are the benefits of studying Revelation?
