OLD AND NEW | THE ANSWER TO OUR STRUGGLE WITH SIN ISAIAH 9:6-7 & VARIOUS PASSAGES

Three very real struggles during the Christmas and New Year season are the struggle for significance, the struggle with hopelessness or loneliness, and the struggle with sin. The struggle for significance causes us to ask, "What have I done with my life?" The struggle with hopelessness or loneliness causes us to think were all alone and on our own. Our struggle under the weight of the sin of others or our battle with our own sin can sometimes seem insurmountable. But Jesus Christ is the answer to each of these struggles. Christ, who came in the flesh is the answer to our struggle with sin that we experience in this world and personally.
