

PALM SUNDAY 2025 | THE TRIUMPHAL ENTRY? LUKE 19:28-40

One YouTube influencer said we can learn about Palm Sunday from Taylor Swift. What in the world was he talking about? He played an extravagantly flamboyant video of Swift entering the stage on one of her tours. He would contrast that video with a biblical depiction of Jesus riding a donkey into Jerusalem. As outrageous as the comparison is, he makes a point: Jesus's riding into Jerusalem on a donkey was a peculiar entrance for the King of Kings. While it is clear many believed He was the Messiah, their view of what the Messiah was going to accomplish was inaccurate. However, the story of Palm Sunday, what is also known as the Triumphal Entry, teaches us much about the heart of God and His priorities. What can we learn from Palm Sunday?

1. Palm Sunday demonstrates that Jesus Christ was relentlessly committed to the _____ of _____.
2. Palm Sunday demonstrates that Jesus Christ fulfilled _____ because He was and is the _____.
3. Palm Sunday demonstrates that Jesus Christ was resolute in securing for us _____.
