

THINGS TO COME | A GLIMPSE OF GLORY
REVELATION 4:1-11

If Revelation 1:19 is a valid outline for the Book of Revelation as we believe, then we are transitioning to a new section. John has been obedient to Christ's command and written down *the things he had seen* in chapter one. He wrote *the things that are* as he recorded Jesus's addresses to the seven churches. Now, he will write down *the things that will take place after this*- the things to come. We gain a glimpse of heaven in chapter four. We see God in His glory, angels worshipping Him, and presumably His church bowing down and casting their crowns before Him. What can we learn about God, heaven, and the future from this passage?

1. God is _____ holy, powerful, and sovereign, not only _____, but throughout _____.

2. When in His presence, God's creation cannot help but _____ His holiness and _____ Him glory.

3. Creation's rightful _____ to God is to _____ Him.
