

THINGS TO COME | TODAY, IF YOU HEAR HIS VOICE . . .

REVELATION 8:6-13

We left off our study in Revelation with Jesus opening the seventh seal. The opening of this seal led to seven angels preparing to blow seven trumpets. The seven trumpets led to seven judgements on those inhabiting the earth during the tribulation. The first four trumpets lead to judgments that impact the world leading to catastrophic events. Men have tried to interpret these events symbolically throughout the years; however, a normal reading leads us to believe they are devastating judgments across the world, such as the plagues were to Egypt. We take God at His Word by faith as we approach this section, believing these things will happen in the future, as the plagues of Egypt literally happened in the past. How will the first four trumpet judgements affect the world and how should we respond?

1. The first trumpet judgement will have a devastating effect on the _____ of the world.
2. The second trumpet judgment will greatly damage all _____.
3. The third trumpet judgment will _____ the _____ water.
4. The fourth trumpet judgment will _____ celestial bodies.
5. The first four judgements serve as a warning to the next _____ trumpet judgments and a warning to us _____.

The seven trumpets led to seven judgements on those inhabiting the earth during the tribulation. The first four trumpets lead to judgments that impact the world leading to catastrophic events. Men have tried to interpret these events symbolically throughout the years; however, a normal reading leads us to believe they are devastating judgments across the world, such as the plagues were to Egypt. We take God at His Word by faith as we approach this section, believing these things will happen in the future, as the plagues of Egypt literally happened in the past. How will the first four trumpet judgements affect the world and how should we respond?

1. The first trumpet judgement will have a devastating effect on the _____ of the world.
2. The second trumpet judgment will greatly damage all _____.
3. The third trumpet judgment will _____ the _____ water.
4. The fourth trumpet judgment will _____ celestial bodies.
5. The first four judgements serve as a warning to the next _____ trumpet judgments and a warning to us _____.

REVELATION 8:6-13

We left off our study in Revelation with Jesus opening the seventh seal. The opening of this seal led to seven angels preparing to blow seven trumpets. The seven trumpets led to seven judgements on those inhabiting the earth during the tribulation. The first four trumpets lead to judgments that impact the world leading to catastrophic events.
