

Dear Church Family,

Below is an updated compilation of prayer requests to help guide you as you pray over the next several days for each other, our community, our state, our nation, and our world. As I have mentioned last week it was an idea given to me by one of our members, and I thought it was a good one and worth pursuing. I hope you have had some time to prayer each day. This list can be downloaded on our website under the coronavirus update section. Feel free to send additional requests through the prayer chain. Also, please check our website, [prbchurch.org](http://prbchurch.org) for updates and resources. God bless you and know that I am praying for you.
